God in a Box

John 9:1-41

Mark Benton

An intersection: A point in time when you learn new truth. Based on that truth, you choose to go in a new direction or keep going in the same direction.

New truth forces us to reconsider reality.

Today's truth: You don't need to understand everything to believe in something.

John 9:1-3

Why do bad things happen? "So that the work of God might be displayed."

John 9:4-5

Jesus made an outrageous statement: "I am the light of the world!"

John 9:6-12

A great miracle, but the neighbors didn't believe it.

John 9:13-17

The Pharisees couldn't explain the miracle because of their expectations of God. They had put God in a box.

John 9:18-34

Rather than looking at the undeniable, they focused on the unbelievable.

John 9:35-41

The man said, "Lord, I believe."

You don't need to understand everything to believe in something.
