

MESSAGE NOTES

That's Perfect!

By Loyd Flaherty

Just like the weather changes in seasons, we also face changes in our lives which bring adjustments we have to make. God's timing is perfect.

1. Hold onto the Three Things That Remain

(1 Corinthians 13:13)

“And now these three remain: faith, hope and love. But the greatest of these is love.”

When faced with sudden changes in life people have a tendency to experience three feelings:

A) feel _____ B) lose _____ C) give up _____

Now remember the three things that remain, the unchangeable things.

2. Some Changes Look Bad at First

(Genesis 50:20)

“You intended to harm me, but God intended it for good”. God can use change, to help get us to take a step we wouldn't normally take. In God's perfect timing we are prepared for the work he has planed for us.

3. He Will Strengthen You Through the New Changes

(Philippians 4:13)

“I can do all this through Christ who gives me strength.”

You can handle changes in your life because of the power that Christ gives you. It's not empty positive thinking that can keep you moving forward. You can face everything you were called to do because of the power God gives to you through Jesus Christ.

Conclusion:

Focus on the unchanging love of the Lord when faced with overwhelming change. God loves you so much that he will use the changes to help you grow and take you to places you need to be.
