Let's Get Wisdom

Proverbs 1:5

Loyd Flaherty

This is good news for people who say — “I have so much more to learn!”

1. Wise people listen and learn

Proverbs 1:5 “Let the wise listen and add to their learning, and let the discerning get guidance.”

It's good to understand that you have so much more to learn. That helps you to be teachable, and open to gain more wisdom and guidance.

2. Fools believe they are wise

Proverbs 26:12 “Do you see a person wise in their own eyes? There is more hope for a fool than for them.”

People who are wise in their own eyes make strong statements from limited understanding.

Someone who acts like they know everything is a proud fool.

Nobody can help the proud person learn until they become humble and teachable.

3. We can always learn more

Philippians 3:12 “Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me.”

This is good news for you who say “I have so much more to learn.”

Conclusion

James 1:19 “My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry,”

If we want to learn more and grow, we need to be teachable. We can always learn more if we are “slow to speak and quick to listen”.
