Biblical Words : Faith

Hebrews 11:3

James Brown

1. Faith in God's existence

Hebrews 11:3 By faith we understand that the universe was formed at God's command.

The Bible says that in order to please God we need to first believe that He exists and that He rewards those who seek Him. This is a choice about where we choose to place our faith. We can choose to believe in the existence of God or not.

2. Faith in Jesus

Romans 10:9 If you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved.

To have faith in Jesus means to accept Him as your Lord and follow Him in your life. This is real, saving faith. This is the faith which grants us an eternity in heaven and a personal relationship with God.

3. Faith in the goodness of God

Luke 12:6-7 Are not five sparrows sold for two pennies? Yet not one of them is forgotten by God. Indeed, the very hairs of your head are all numbered. Don't be afraid; you are worth more than many sparrows.

This is the faith that God is going to take care of you every day because He is a good God. When we continue to believe this in the midst of all our circumstances we experience the peace of God in our hearts.
