## God's Word Lights the Way

Psalm 119:105

Loyd Flaherty

**Psalm 119:105 — “Your word is a lamp to my feet and a light to my path.”**

The **kind of light** you use... changes what you see.  
Only God's word gives us clear light to walk by.

### 1. God's Word Shows Us Where We Are

**“Your word is a lamp to my feet...”**

A **lamp to the feet** helps us see what's right in front of us — the next step. God's Word reveals the truth about our **present situation**: our thoughts, choices, and struggles.

**Application:** When confused or unsure, we can read God's Word and let it speak to our current moment.

### 2. God's Word Shows Us Where to Go

**“...and a light to my path.”**

The **light to the path** shows us the direction — not just the next step, but the journey ahead. God's Word gives us wisdom for **decisions**, priorities, and **purpose**.

**Application:** Before big decisions or when facing uncertainty, seek God's direction through His word, the Bible.

### 3. God's Word is a Daily Guide

A lamp and light must be used continually — we don't light a lamp once and never again. God's guidance comes **daily**, not just in crisis moments.

**Application:** Build a habit of walking with the Word — morning reading, Scripture memory, or meditating on a verse.

**Closing Thought:** In a dark world, we need a dependable light. God's Word doesn't just give us information — it gives us **illumination**, direction, and confidence as we walk forward on the path He shows us.
