The Greatest Love

Romans 5:8
James Brown

1. The love of God

Romans 5:8 But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

God's love is the greatest love in existence. He created the whole universe just for the sole purpose of loving and having a relationship with us. He demonstrates this love for us through the cross of Jesus. Biblical love is more about actions than it is about feelings.

2. Responding to His love

John 15:9 As the father has loved me so have I loved you. Now abide in My love.

We respond to the love of God by resting secure in it. By knowing that He loves us and only wants what's best for us. We enter into a loving relationship with Him and maintain communication with Him each day.

3. Being filled with His love

John 15:10 If you keep my commands you will abide in my love just as I have kept my Father's commands and abide in His love.

When we live our lives according to His Word we become filled with the love of God in our hearts. All of God's commands are based on His love for us. By following them we experience deeper levels of His peace, hope and joy in our hearts.
