God Never Changes

Hebrews 13:8

Shuhei Fukuda

1. God's relationship with humanity doesn't change

Hebrews 13:8

Jesus Christ is the same yesterday and today and forever.

God is constantly pouring out His unchanging love upon us. And He wants to have a relationship of unchanging love with us.

2. God's Word doesn't change

1 Peter 1:23-25 23 For you have been born again, not of perishable seed, but of imperishable, through the living and enduring word of God. 24 For, "All people are like grass, and all their glory is like the flowers of the field; the grass withers and the flowers fall, 25 but the word of the Lord endures forever." And this is the word that was preached to you.

Satan tries to twist God's words to make us doubt, confuse us, and lead us away from Him. To overcome this, we must seek to understand God's Word correctly.

3. Though this world may change, God remains the same

Hebrews 1:12

like a robe you will roll them up, like a garment they will be changed. But you are the same, and your years will have no end."

There is a lot of instability in the world right now. Instead of focusing on things that change with the times, let's focus on God, who remains the same forever.
