## More Love, Knowledge and Insight

**Philippians 1:9–11**
**Loyd Flaherty**

**1. Let Your Love Grow**

**Philippians 1:9** " And this is my prayer: that your love may abound more and more in knowledge and depth of insight."

Paul doesn't simply pray, "Love each other more."

He prays that their love would grow with knowledge and understanding.

Our love needs wisdom.
Love should keep growing, and growing in wisdom.

**2. Learn to Choose What Is Best**

**Philippians 1:10** "So that you may be able to discern what is best and may be pure and blameless for the day of Christ,"

Why does Paul want their love to grow in knowledge and understanding?

Answer: _____

What we understand shapes what we choose, and what we choose shapes how we live.

**3. Let Your Life Produce Fruit**

**Philippians 1:11**" filled with the fruit of righteousness that comes through Jesus Christ — to the glory and praise of God."

As we grow in Jesus, His righteousness begins to produce fruit in our lives.

Our love, our understanding, our choices, and our lives should all point people toward giving glory to God.

**Conclusion**

**Grow in love.**
**Grow in wisdom.**
**Grow in righteousness.**

Paul's prayer is that their lives would become more and more like what God wants them to be—and that the result would be **"to the glory and praise of God."**
